Independent Auditor's Report

To the Board of Directors
Legal Assistance to the Elderly, Inc.
San Francisco, California

I have audited the accompanying financial statements of Legal Assistance to the Elderly, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Board of Directors
Legal Assistance to the Elderly, Inc.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Legal Assistance to the Elderly, Inc. as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, I have also issued our report dated November 17, 2021, on my consideration of Legal Assistance to the Elderly, Inc.'s internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Legal Assistance to the Elderly, Inc.'s internal control over financial reporting and compliance.

Note 1-Organization and Summary of Significant Accounting Policies

Organization

Legal Assistance to the Elderly, Inc. (the Organization) was incorporated in California as a nonprofit public benefit corporation in 1979. The Organization provides free legal seniors and adults with disabilities in San Francisco. Its mission is to keep San Francisco's most vulnerable residents safe, financially stable, healthy and housed. It has provided free legal advice and representation in civil matters to protect seniors' independence and dignity for more than 40 years. LAE serves over 1,700 clients per year in six primary practice areas: 1) Housing Law/Eviction Defense, 2) Elder Abuse Prevention: Financial and Physical, 3) Health Care Protection, 4) Benefits Advocacy, 5) Consumer Debt Defense, and 6) End of Life Planning.

Financial Statement Presentation

In accordance with U.S. Generally Accepted Accounting, net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

In addition, Legal Assistance to the Elderly, Inc. is required to present a statement of cash flows.

Cash and Cash Equivalents

The Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents. The Organization maintains cash balances at financial institutions, which at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

Receivables

No allowance for doubtful accounts is made since management believes that all receivables are collectible.

Note 1-Organization and Summary of Significant Accounting Policies (Continued)

Fair Value Measurements

Fair Value Measurements Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

The Organization determines the fair values of its assets and liabilities based on a fair value hierarchy that includes three levels of inputs that may be used to measure fair value. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access at the measurement date. An active market is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis. Level 2 inputs are inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. Level 3 inputs are unobservable inputs for the assets or liability. Unobservable inputs reflect the Organization's own assumptions about the assumptions market participants would use in pricing the asset or liability (including assumptions about risk). Unobservable inputs are developed based on the best information available in the circumstances and may include the Organization's own data. The Organization had no assets or liabilities recorded at fair value on June 30, 2021.

Donated Services, Facilities and Assets

The Organization receives services donated by citizens that are not accounted for as contributions Donated Services, Facilities and Assets or expense because they do not meet all of the accounting requirements of requiring specialized skills, provided by individuals possessing those skills, which would be purchased by the organization if not donated.

Functional Allocation of Expenses

The organization distributed expenses directly to related programs or supporting services. Expenses that are applicable to several programs and supporting services are allocated among the programs based upon time reports and management estimates.

Income Tax Status

No provision for income tax has been included in the financial statements as the organization has been qualified as tax-exempt under IRS Section 501(c)(3) and California Revenue and Taxation Code Section 23701(d). Management believes that operations of the organization have been in accordance with its tax-exempt purposes and that there is no unrelated business income. The three most recent years are open to examination.

Support and Revenues

The Organization relies on grants from governmental units, public and private foundations and contributions from individuals and corporations

Note 1-Organization and Summary of Significant Accounting Policies (Continued)

Revenue Recognition – All contributions are considered available unless specifically restricted by the donor. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Amounts received that are designated for future periods or restricted by the donor are reported as support with donor restrictions. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred.

Property and Equipment

Property and equipment are recorded at cost or, if donated, at their fair market value at the date of the donation. The cost of maintenance and repairs is charged to income as incurred: significant renewals and betterments are capitalized. The Organization capitalizes all expenditures for property and equipment in excess of \$2,000. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range from 5 to 10 years. The cost of furniture and equipment as of June 30, 2020 and 2020 was \$106,388. The cost of leasehold improvements was \$3,900 and was fully depreciated as of June 30, 2021. Accumulated depreciation as of June 30, 2021 and 2020 was \$110,288.

Recent Accounting Guidance

In August 2016, the FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. Legal Assistance to the Elderly, Inc. has adjusted the presentation of these statements accordingly.

In June 2018, the Financial Accounting Standards Board (FASB) issued ASU 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 958). The ASU clarifies and improves guidance for contributions received and contributions made and provides guidance to organizations on how to account for certain exchange transactions. This change is preferable in that it clarifies whether to account for transactions as contributions or as exchange transactions. In addition, it clarifies whether a contribution is conditional. As a result, it enhances comparability of financial information among not-for-profit entities. The change in accounting principle was adopted on a retrospective prospective basis on July 1, 2018. There was no cumulative-effect adjustment to opening net assets without donor restrictions or opening net assets with donor restrictions as of July 1, 2020.

Note 2- Leases

Legal Assistance to the Elderly, Inc. has entered an office space lease agreement located at 1663 Mission Street San Francisco. The term starts on September 1, 2019 and is for ten years, with monthly payments ranging from \$ 15,025 to \$34,630 over those ten years, with the lease ending August 31, 2029.

Note 3- Contingencies and the Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates, and the differences could have a material impact on the financial statements. The Organization depends on government grants and revenues which are subject to inspection and audit by the various funding sources to determine whether the program funds were in accordance with their requirements. The potential exists for disallowance of previously funded amounts. Management believes that the Organization has complied with the terms of each funding source. Accordingly, no provision for disallowance or refund has been recorded. The compensation of certain employees is determined in accordance with a collective bargaining agreement.

Note 4- Liquidity and Availability

As part of Legal Assistance for the Elderly, Inc.'s liquidity management, its goal is to main cash and short-term investments on hand to meet 60 days of normal operating expense, which on average is \$200,000. In addition, any cash in excess of the daily requirements is invested in short-term investments and money market funds.

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash and cash equivalents	\$349,528
Grants receivable	<u>529,351</u>
Financial assets available at June 30, 2021:	<u>\$878,879</u>

Less those unavailable for general expenditures within one year due to:

Note 5- Note Payables

On June 6, 2020, Legal Assistance to the Elderly, Inc. received loan proceeds in the amount of approximately \$201,785 under the Paycheck Protection Program (“PPP”). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loan was forgiven on May 25, 2021 by the Small Business Administration.

Note 6- Line of Credit

Legal Assistance to the Elderly, Inc has a line of credit with Wells Fargo Bank and on June 30, 2021, the outstanding balance was \$25,000. The bank charges an annual interest rate is 10%.

Note 7- Net Asset with donor restriction

With donor restrictions were as follows:

<u>Restriction</u>	<u>6/30/2020</u>	<u>Additions</u>	<u>Releases</u>	<u>6/30/2021</u>

Total	<u>\$ 81,650</u>	<u>\$ 28,142</u>	<u>\$ (61,412)</u>	<u>\$ 48,380</u>

Note 7- Subsequent Events

Management has evaluated subsequent events through November 17, 2021, the date which the financial statements were available to be issued and determined that there were no reportable events.

Legal Assistance to the Elderly, Inc. paid off the \$25,000 line of credit on July 8th, 2021.

The coronavirus (SARS-CoV-2) pandemic developed rapidly in 2020-2021, with a significant number of cases globally. Measures taken to contain the virus have significantly affected economic activity. The extent to which the coronavirus pandemic may impact operating results, financial conditions, and cash flows will depend on future developments, which are highly uncertain and cannot be predicted.

During 2020-2021, as a result of state and local public health directives, Legal Assistance for the Elderly, Inc. implemented telecommuting and teleconferencing for their employees, where appropriate and feasible and that only those employees performing essential duties that cannot be performed by telecommuting should physically come to work.

As a result of the state and local public health directives, Legal Assistance for the Elderly, Inc. has:

Legal Assistance To The Elderly, Inc.
Notes To Financial Statements-continued
June 30, 2021 and 2020

Developed different 2021/2022 budget scenarios to determine the best path forward to ensure organizational financial stability for 2021/2022 and beyond in the emerging COVID-19 recession. This process resulted in a revised budget for 2021/2022 and new fund development strategies to support effective organizational functioning and staff retention and address potential budget shortfalls caused by loss of revenue connected to recession impacts on philanthropic giving.

Management and Legal Assistance for the Elderly, Inc.'s Board of Directors continue to carefully monitor the situation, conduct financial scenario planning, and evaluate Legal Assistance for the Elderly, Inc.'s options during this time.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING
AND ON COMPLIANCE BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Legal Assistance to the Elderly, Inc.
San Francisco, California

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Legal Assistance to the Elderly, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated November 17, 2021.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered Legal Assistance to the Elderly, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Legal Assistance to the Elderly, Inc.'s internal control. Accordingly, I do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit we did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Legal Assistance to the Elderly, Inc.'s financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on

the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
